Dr. Joshua Lederberg  
Genetics Building  
The University of Wisconsin  
Madison, Wisconsin

Dear Joshua:

I am very grateful for the copy  
of your manuscript which you so kindly  
sent me of your paper with Nossal. I  
think it is an elegant piece of work.

See you next week.

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Albert', with a long horizontal stroke extending to the right.

Albert H. Coons
